ELECTION

Sir:

This is in response to the United States Patent and Trademark Restriction Office Action mailed March 13, 2007, which response is being made on or before May 13, 2007, and for which a one month extension of time fee is due.

Applicants hereby elect Group I, namely Claims 1, 7-11, 13-15 and 17, drawn to the detection of changes between images and subsequent verification of those changes.

With respect to the species requirements, Applicants select:

Species 5. Claim 7 is believed to be generic to species 5, and claims 15, 16 and 17 are believed to be specific to species 5.

Applicants reserve the right to file, at a later date, additional divisional applications claiming priority from the present application which are directed to the non-elected Group.

Respectfully submitted,

Mardin O. Moyulia
